Eating out in Side

Restaurants and Cafes

While you travel in Turkey, enjoy the unique Turkish cuisine and its philosophy and let it surprise you. Taste a variety of dishes based on pure and fresh ingredients, which can fully satisfy the gastronomic lovers.

Orfoz Restaurant

One of the best restaurant in Side. At the west end of the harbor. Offers a perfect sea and beach view together with a delightful seafood and international cuisine.

Kimyon Restaurant

In Ilica Kumköy. You can think of Kimyon Restaurant as a more luxurious version of a Kebap restaurant. It offers all kinds of typical Turkish dishes, numerous Mezes with freshly baked Lavas bread.

Aphrodite Restaurant

Right at the harbor in the antique town. Good quality international cuisine accompanied by the attractive views from the harbour and the bustling main street makes Aphrodite one of the best choices in Side.

Side Liman Lounge Restaurant

Right next to the Apollo Temple. Offers a very good sea view with good quality food.

Moonlight Restaurant

At the east side of the antique town. Have a good meal under the moon. The restaurant is situated at the seafront, at one of the most romantic places of the antique town of Side. Seafood and specialties of meat and chicken dishes, as well as an extensive selection of Turkish wine are offered.

Appolonian Cafe

At the east side of the harbor on the way to the Apollo temple. An excellent cafe with perfect sea view and a soft music, a must be place especially during the sunset.

Mehmet's Cafe-Bar

Overlooking the main town beach on the east side of the antique town, this cafe / bar is a relaxing place to unwind. It catches the sea breezes and the service is excellent from a family run establishment. Basic food and drink are served with quality music.

Lighthouse Club

It is located in the old town and is one of the most popular places for the night clubbers. It's an open air disco where you can dance and enjoy yourself until the early hours of the morning. It serves as a high end Italian/International restaurant before the night atmosphere.
