General specifications

- Suspended ceiling throughout the apartments
- Smooth plaster finishing and plastic paint on interior walls and ceilings
- Hot water supply through energy-efficient electrical heating from "Siemens or AEG"
- Full length, tilt & slide patio doors and double glazed windows by "REHAU" with "ROTO" hardware
- Electric roller shutters (concealed) throughout the apartments "REHAU"
- Air conditioning units in every room for heating and cooling "LG-Beko or Vestel"
- Built-in cloakroom
- Smoke detector
- Tempered glass and anodized aluminium balcony railings in a minimalistic design
- Deluxe beige marble windowsills and stairs
- High quality lacquered white internal doors with minimalistic handles in 304 grade stainless steel
- High quality steel entry doors coated in white matt membrane "SUR"
- 45X45 cm quality porcelain tiles cover all the floors "Vitra"
- Private gardens for all ground floor apartments
- Decorative wooden claddings on the front facade to complement the Mediterranean design
- Aluminium shutters on the back facade to conceal the AC units
- Communal satellite for TV
- Water taps in the master balcony and in the roof terrace

The building of each unit is in accordance with the specifications in the Planning Permission and corresponding current building regulations.

Please note: all specification details are subject to the formal contract that may be entered into between Mecitoglu Homes and the purchaser.

These specifications are indicative and can be modified by technical necessities of the construction and for the existing regulations. In any case, we guarantee the maintenance of the general level of quality in the apartments and in all the urbanization.
