## LotusM Online Customer Care

[Owners Log in](#)

The online customer care page of our specialised industry partner, LotusM has been carefully designed to make life easier for property owners. This page can only be accessed with personal log in details.

Home owners can follow up on their maintenance fees and running costs related to their property. They can book online airport transfers, cleaning, laundry and order welcome packs before they or their guests arrive.

This is a very innovative and practical system which is appreciated by our clients.
